

# Beginner Bridge Lessons

12 weeks starting Monday, October 15<sup>th</sup>  
(no class on holidays)

6:30 – 8:30 pm Elks Lodge -- 3975 28th Street, Boulder

Bridge is the world's most popular card game and these lessons will have you playing immediately. Each week you review the previous week's material, listen to a short lecture, and play hands with guidance. Between classes, you will receive email quizzes and follow-up advice on the hands you played. You can always ask questions via email, too. Whether you are a beginner or returning to bridge, this fun class is the perfect place to start. Bring a friend – or make new ones! The entire 12-week series is only \$60.00, which includes materials.
